QUALITY WORK UNIFORMS WITH AN EXCELLENT PRICE  
PERFORMANCE RATIO

Armarium Group

# About Us

Armarium specializes in the design, manufacturing, and branding (printing or embroidery) of workwear for various industries.

We adapt to our client's requirements: we either start the uniformization of your company from a scratch, or we replicate and modify your current garments.

What differentiates us from our competitors is our customer service and flexibility. We adapt to our client's demands fully, do not require a minimum order quantity and we provide the full spectrum of service, from design, sewing, to branding of the garments.

Quality & Versatility

# Choice of materials

Our offer includes more than 400 exclusive, high quality and carefully selected cotton materials originating from Germany, Spain, Italy, Turkey and The Netherlands.

These are materials that are suitable for any occasion; Comfortable to wear all day long, soft enough for hotel equipment, strong enough for the most demanding industries.

## Our Products

# What we offer

We offer high quality workwear for even the most demanding industries, excellent price performance ratio and durability.

We provide the full spectrum of service, from design, sewing, to branding of the garments.

To make your workwear aligned with your branding guidelines, we can make your workwear in any color combination and in compliance to any safety standard.
